Dear Parent/ Guardian

WEIGHTED ASSESSMENT 3 (WA 3) FOR SECONDARY ONE IN TERM 3

To nurture our students to be lifelong learners and building on the efforts to move away from an over-emphasis on academic results, MOE has adjusted school-based assessment (SBA) structures so that our students can experience more joy and develop stronger intrinsic motivation in learning.

In accordance to MOE guidelines, the school has allocated the percentage of each term's weighted assessment as shown in the table below. These weighted assessments (WA) count towards the final grade for each subject.

	TERM 1	TERM 2	TERM 3	TERM 4
Assessment	WA 1	WA 2	WA 3	End of Year Examination
Secondary 1	15%	15%	15%	55%

Please take note of the following:

- there is no weighted assessment in Term 4 as the End of Year Examination will begin in Term 4 Week 3,
- there is one weighted assessment per subject per term (except Term 4) and the format of the weighted assessment differs for each subject (please refer to the details overleaf)

Secondary One Normal (Academic) and Normal (Technical) Subject-Based Banding (SBB) end of year inserts for English Language, Mother Tongue Languages, Humanities, Mathematics and Science will be identified based on

- weighted assessment results,
- students' performance in daily formative tasks,
- the school's professional judgement of the students' ability to handle the subject at a higher level and
- students' participation in the school's Student Development Programme for Science, Humanities, Mathematics and English Language.

The identified students may be required to sit for a screening test to ascertain their suitability.

If you have further questions or concerns, please contact us at 6572 9100 or email aes@moe.edu.sg.

Thank you.

Yours sincerely

Mr Benjamin Kwok
Principal
