# Orientation 2019: A Knight's

05 January 2019

Written by: Mr Joshua Yeo

Our Secondary One students experienced their own 'Knight's Tales' in their first week in AES. The first two days passed quickly with the Knight Commanders showing our new Assumptionknights around the school and facilitating the bonding games. The students made new friends and had plenty of fun, but the orientation had only just begun.

On Day 3, our Secondary 1 Assumptionknights had to accomplish a few tasks. They had to find their way around the sprawling Boys Town campus while completing a series of trying tasks for their Knight's Mission. That was followed by an exciting Captain's Ball tournament in which they displayed their athletic prowess. The highlight of Day 3 was the class performances during the campfire which gave the teachers and Knight Commanders a chance to see how well the Secondary One students had bonded.

Our new Assumptionknights rose to every challenge that they were presented with. On Saturday morning, their proud parents, teachers and seniors witnessed their Knighting Ceremony, which marked their official entry into Assumptionknight-hood.

We wish all the Secondary One students all the best in their upcoming journey in AES and are glad to have them as part of our AES family.

# O-Level Results Release

14 January 2019

Written by: Ms Siti Nurasyikin

It is customary for our Assumptionknights to anxiously await the release of their GCE O-Level examinations results every year with bated breath. This year was no different as our graduands from the cohort of 2018 looked visibly nervous while they waited to receive their results on 14 January 2019.

When the top scorers of the cohort were announced, there were resounding cheers. You Ruochii from the Secondary Four Express cohort emerged top with 9 points for her L1R5. The top scorer from the Secondary Five Normal Academic cohort of 2018 was Anthony Tay Ming Sheng who scored 9 points for his L1B4.

Congratulations to all the students! We wish all of them wisdom in deciding the next phase of their education and all the best in their future endeavours.

From L to R: Mr Benjamin Kwok (Principal), Tong Zhen Kuan (5/1), Anthony Tay Ming Sheng (5/1), You Ruochii (4/2), Angie Widjaja (4/2), Ms Wong Ker Sin (VP) & Mr Quek Ser Hiang (VP Admin)
