ENGLISH

Subject Allocation Principles

A subject combination will be allocated to a student based on the following **criteria**:

1. Subjects are offered based on **academic merit** which includes overall performance and subject performance for certain subject combinations.
2. **Rank Order (students' choice)** - 1st choice will be considered if results meet the subject criteria.
3. **Demand** for the Subject Combination of his/her choice.

FAQs

Is there an option to change Subject combination in Sec 3 or after Sec 3?

Not advisable as the runway to 'N'/ 'O' level examination is very short.

I want to take Art in Sec 3, but I am afraid that if I do not take Additional Mathematics many institutions will not admit me

- Science (Physics, Chemistry) / Physical Science

To be able to choose Additional Mathematics:

- You must be scoring high marks consistently in Mathematics and Science Overall Combined.

- You must **LOVE ALGEBRA**, have a strong foundation in algebra as there are a lot of algebraic manipulation.

- Also, there are 19 chapters to be completed in 2 years. It is like 4 years of Mathematics compressed into 2 years.

What polytechnic courses can I take if I choose Art?
